

Application – 2017 SIFF FutureWave Jury

What is a film jury?

Parent/Guardian Consent

While juries are shown age appropriate films, SIFF must inform parents that many movies are unrated and some films may contain mature subject matter. Some of the films may be intended for youth 17+ and would be R if rated by the MPAA. Titles and descriptions will be shared when available and any reservations based on content of films may be discussed.

As parent/guardian of _____, I am aware of their application for the 2017 SIFF FutureWave Jury and consent to their involvement, if selected.
