

SIFF 2013 UPDATES

ADDED SCREENINGS

LIL BUB & FRIENDZ

Lil Bub & Friendz, the doc about the cutest toothless, deformed kitty in the known universe (and potentially beyond) also features some of your favorite feline meme generators - Grumpy Cat, Nyan Cat and Keyboard Cat -- and Bub's adorkable owner Mike Bridavsky.

Directed by Andy Capper and Juliette Eisner (USA, 2013)

Saturday, June 8, 9:00pm, SIFF Cinema Uptown

DUNE

Join Kyle MacLachlan on a surreal voyage to a distant planet where the spice is the most valuable commodity. Frank Herbert's sci-fi novel *Dune* was hailed as "unfilmable", but that didn't stop producer Dino DeLaurentis from asking Lynch to take a crack at this tale of space-aged politics, betrayal, and—eek!—sand worms.

Directed by David Lynch, starring Kyle MacLachlan, Virginia Madsen, Francesca Annis, Sting, Max von Sydow, Jose Ferrer, Patrick Stewart, USA, 1984)

Saturday, June 8, 8:30pm, SIFF Cinema Uptown

TWIN PEAKS PILOT

See the pilot that started it all... David Lynch's groundbreaking pilot for *Twin Peaks*, starring Kyle MacLachlan as Special Agent Dale Cooper.

Sunday, June 9, 8:00pm, SIFF Cinema Uptown
