Meet us at SIFF Cinema to hear about this year's programming, see clips from films, and receive your official 2009 press kit and pass.

NOTE

All journalists requesting accreditation to cover the Festival are asked to file this application with the Communications Office. Approved accreditation entitles you to request interviews, access to press screenings, and limited access to public screenings. Submitting an application does not automatically guarantee accreditation.

We encourage you to attend the advance press screenings. We CANNOT GUARANTEE your complimentary admission to public film screenings during the Festival, especially for films that have been press-screened. Admission to such public screenings and events is limited and confirmed by advance arrangement only. Admission to special events is by invitation only.

When returning your application, please include sample clips with bylines.
