

## Application – 2010 FutureWave Jury

---

### What is a film jury?

At film festivals around the world, a selection of accomplished filmmakers and other film professionals are selected to watch a series of films and award one as the best film in the program. At SIFF 2010, five youth will be selected to award the Youth Jury Award for Best FutureWave Feature.

### Parent/Guardian Consent

While juries are shown age appropriate films, SIFF must inform parents that many movies are unrated and some films may contain mature subject matter. Some of the films may be intended for youth 17+ and would be R rated by the MPAA. Titles and descriptions will be shared when available and any reservations based on content of films may be discussed.

As parent/guardian of \_\_\_\_\_ I am aware of their application for FutureWave Jury and consent to their involvement, if selected.
